

Greetings, Reading Buccaneers!

We are excited to have your group selling tickets to the All-Age Championships and the DCI World Championship Finals for 2024!

Since 2020, Ticketmaster determined that all tickets for events at their stadium will be mobile entry only. With this change, we are providing these helpful steps on how each individual will purchase their tickets in the Springfield Block at the group discount online. This process will be the best means to get your tickets sent directly to you and allow the Box Office to assist you more efficiently if needed.

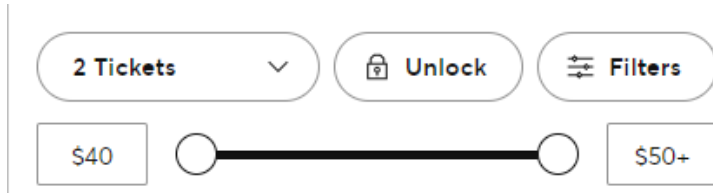

We look forward to seeing you on August 10th!

1. Go to the following links below to access the group blocks being held for you at each event:

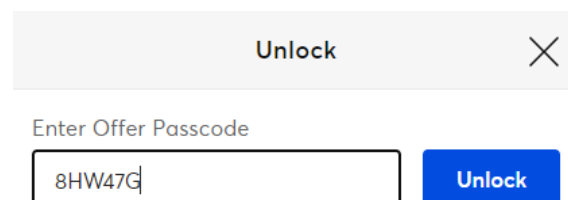

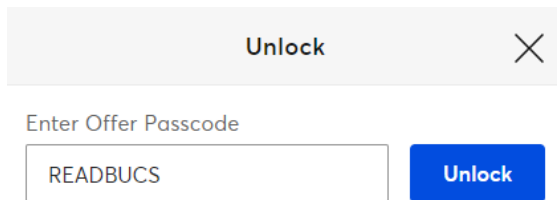

**All- Age Championships** – <https://www.ticketmaster.com/event/05005F73F4155145>

**World Championships Finals Night** - <https://www.ticketmaster.com/event/05005F71DAC061C4>

2. Once in the event, you will see an Unlock button in the upper right corner of the screen.

3. Click on that icon and a field will appear asking for a passcode. Enter **READBUCS** if you are buying All-Age Champs tickets. If you are getting the World Class Finals tickets, enter **8HW47G** in the field and click “Unlock”.

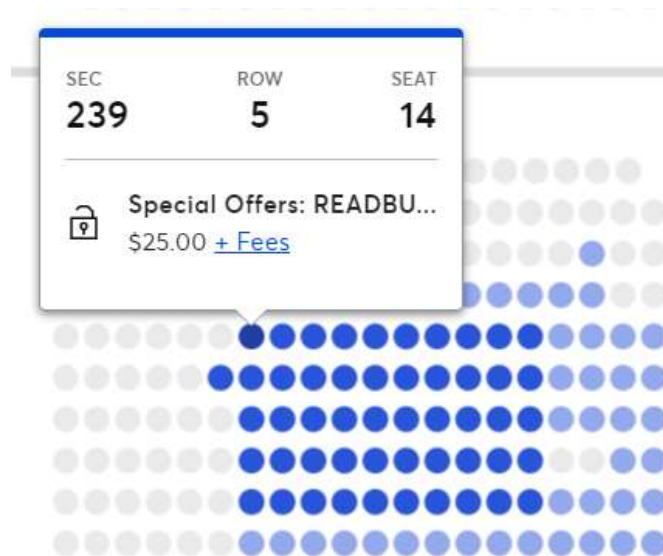

4. Once the code is accepted, the screen will update and you will see Section 239 highlighted in blue for the All-Age Champs. For the World Class Finals, Section 446 will be in blue:

**All-Age Championships Section 239**

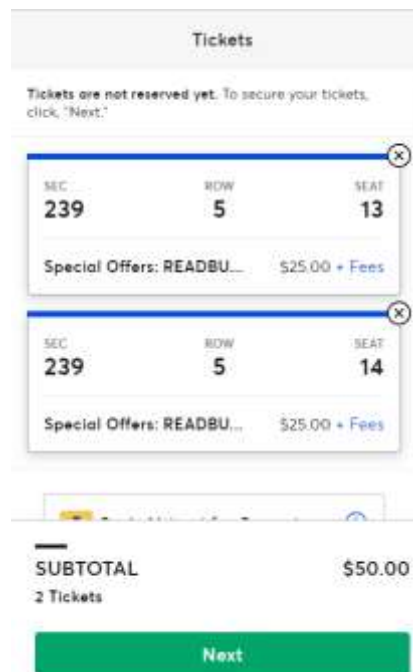

**World Class Finals Section 446**

5. When you click on the blue section, it will zoom you in and select the seats in the block. Please note that the darker blue seats will be the only ones that will offer the group rate price. If you click on any lighter blue seats, the discount price will not be available.

6. After selecting your seats, click the green “Next” button and complete the process of ordering your tickets.

Once you complete the order, Ticketmaster will send you a confirmation email that you will need access on your smartphone to have the tickets display and put in the wallet of your mobile device.

If you do not wish to put your tickets in your wallet, they will still be in your Ticketmaster account that you can access via a web browser or the Ticketmaster App on your mobile device to be scanned when you come to the stadium.

Please visit <https://www.ticketmaster.com/mobile> to download the app if you don't have it already.
